

CATERER 6 BURNER BBQ

MODEL NO. BQ3465

Gasmate

The updated Caterer 6 burner is the ideal heavy duty BBQ for sports and social clubs or anywhere large groups are entertained. It features a new black powder coated fascia with black knobs and matching black powder coated storage rack. The **Gasmate Caterer 6B** has been designed to last with a solid 5mm thick steel hotplate, more robust legs, stainless steel burners, an updated stainless steel warming rack, and a heavy duty lid that doubles as a windshield. Also features foldable side shelves and castors for easy transportation. The **Gasmate Caterer 6B** is supplied with the new industry standard LCC27 Safe Lok® Regulator and Hose.

Caterer 6 Burner BBQ features:

- New all black powder coated fascia with black knobs
- New solid, flat storage base shelf
- Sturdy trolley with foldable side shelves
- Removable lid that doubles as windshield
- New stainless steel warming rack
- Durable and efficient stainless steel burners with individual controls
